I can't do tonight due to the Jewish holiday. How's about next Monday or Wednesday at 5:15?  
Nancy.

Thanks so much for the quick response. I appreciate how busy you are.

A call at 5:15 today works for me. I will call you, is that okay?

After we talk, we can decide if we need a meeting with staff.

Thanks,

Maureen,  
Happy to chat. If you want to do a quick call after about 5:15 one day, I can easily make that happen.  
If you prefer a real conversation in person, that will be trickier due to schedules, but Venus Marshall can help us make it happen. We could also do a joint call/meeting with Richard Yamada as well.  
Just let me know your preference and we can work on setting it up..  
Nancy

Today I participated in a meeting with Ryan Jackson and my boss, Lucian Niemeyer, ASD(Energy, Installations & Environment). Lucian and I raised our concerns with PFOS/PFOA and the Water's office efforts related to Perchlorate. I also mentioned IRIS. Ryan recommended that I reach out to you. Let's see if we can find time to talk. I will continue to talk to Lee Forsgren about the Perchlorate challenges, but Ryan still recommended that I talk to you.

Ryan also introduced us to Richard Yamada and I am going to be meeting with him to talk about IRIS. Would really like to get your thoughts before I meet with Richard.

Let me know what works. Glad to come your way.

Thanks,
